Dear Sir:

I received your letter and was
glad to hear from you.

I also received a letter from
Rufus Lewis, he told me that
he had heard from you. He
wanted to know if I was going
in "Spring training". I told him
I was. I will be in Jacksonville
on the 1st of April. I told
Gene Austin that you wanted
him to write you right away,
so I guess he have.

=B=

Now I want to know if I
will get the same offer you said
I would have gotten last
year? Please let me know
right away.

Very truly yours
J. B. Brown
